

4th Europaediatrics 2009

East and West, North and South:
Balanced Paediatric Care
in Europe

SCIENTIFIC PROGRAMME

World Trade Center, Moscow, 3–6 July 2009

www.europaediatrics2009.org

www.europaediatrics2009.ru

TIME	CONGRESS HALL A (1200)	HALL B: VOLGA + ENISEI +AMUR (400)	AMPHITHEATRE HALL (500)	HALL LADOGA (200)	POSTER ALLEY
09.00-09.30	Children at risk (Chaired by WHO representative M. Krzyzanowski, A. Baranov, V. Shirokova, V. Manchuk): Environment and health of children in Europe (M. Krzyzanowski, WHO)	Hall A+B	no lecture, free access to posters		
09.30-10.00	The paediatric diseases of civilisation «The other side of the coin» (A. Rubino)	Hall A+B			
10.00-10.30	The disabled child in Europe (B. Neville)	Hall A+B			
10.30-11.00	International Pediatric Association (IPA) in protecting child health: the values and the actions (C. Van Chan)	Hall A+B			
11.00-11.30	Coffee Break (sponsored by Dina International)				
11.30-12.00	Child care at risk (chaired by A.Rubino, J. Ehrich, A. Ormisson, O. Chumakova) The economic factor (A. Gerber)	Hall A+B	no lecture, free access to posters		
12.00-12.30	The organisational factor in primary and secondary paediatric care (M. Katz)	Hall A+B			
12.30-13.00	The organisational factor in community paediatrics (F. Oberklaid)	Hall A+B			
13.00-13.30	Lunch Break (sponsored by GE Healthcare)				
13.30-14.00					
14.00-14.30	Paediatric challenges (chaired D. Roos, V. Omelyanovsky) Registries and multicentre trials (A. Martini)	Oncology (chaired by A. Stackelberg, V. Polyakov) Leukaemia (A. Stackelberg)	Asthma (chaired by P. Eigenmann, L. Ogorodova, F. Petrovsky) Paediatric wheezing patterns and asthma phenotypes as defined by new guidelines (J. Lopes dos Santos)	Satellite Round Table on Paediatric Education in Europe (N. Volodin, T. Linné and G. Gaedicke)	Poster presenters meet the professor

14.30-15.00	The challenge of developing medicine for children (K. Hoppu)	New aspects and development in tumour immunology (H. Lode)	Efficiently and safely combining new and old treatments in asthma (P. Pohunek)	Satellite Round Table on Paediatric Education in Europe (N. Volodin, T. Linné and G. Gaedicke)	Poster presenters meet the professor
15.00-15.30	Cohort studies (M. Schlaud)	Neuroblastoma (R. Ladenstein)	Exploring new indications for Omalizumab in childhood (L. Namazova-Baranova)	Satellite Round Table on Paediatric Education in Europe (N. Volodin, T. Linné and G. Gaedicke)	Poster presenters meet the professor
15.30-16.00	Coffee Break (sponsored by Invar)				
16.00-16.30	New combined vaccines: a view to the future (chaired by V. Usonis, Ju. Lobzin, R. Kozlov) Prevailing pneumococcal serotypes causing invasive disease (V. Usonis)	Nephrology (chaired by A. Tsygin, M. Bogdanovich) Enuresis and incontinence (L. Kovacs)	Neurology (chaired by P. Evrard, N. Zavadenko, O. Maslova) The cerebellum and its role in developing cognitive and social functions (D. Riva)	Interactive session (chaired by A. Martini, E. Sidorenko) Uveitis as clinical manifestation of chronic diseases in children (E. Alexeeva)	Poster presenters meet the professor
16.30-17.00	Bacterial respiratory tract infections: the need to expand the spectrum of classical conjugate vaccines (R. Dagan)	Urinary tract infection and vesicoureteric reflux (R. Beetz)	Autism (C. Bonnier)	Interactive session (chaired by P. Eigenman, A. Karaulov) Pitfalls of diagnostics and treatment in allergic children (E. Karpova)	Poster presenters meet the professor
17.00-17.30	PHiD-CV: advancing beyond classical pneumococcal conjugate vaccines (R. Prymula)	Immunosuppressive therapy in nephrotic/nephritic syndromes and other severe autoimmune diseases (J.H.H. Ehrich)	Neurological emergencies (P. Evrard, L. Titomanlio)	Interactive session (chaired by P. Pohunek and N. Korotky) Rational skin care in infants. (W.Truscott)	Poster presenters meet the professor
17.30-18.30	Transfer to the Opening Ceremony (Manezh)				
18.30-21.00	Opening Ceremony				
21.00-23.00	Get together and buffet				

TIME	CONGRESS HALL A (1200)	HALL B: VOLGA + ENISEI +AMUR (400)	AMPHITHEATRE HALL (500)	HALL LADOGA (200)	POSTER ALLEY	COCHRANE AREA
09.00-09.30	PLENARY SESSION on paediatric challenges (chaired by E. Olah, G. Suchich, T. Dmitrieva, V. Tatochenko) New human respiratory virus: H1N1, HMPV, HCoV's, HBoV... and beyond (A.D. Osterhaus)	Hall A+B	no lecture, free access to posters			
09.30-10.00	Paediatric health care in Europe — EPA/UNEPSA initiatives (M. Vural)	Hall A+B				
10.00-10.30	EMA: Better medicines for children 2007 — a first assessment two years later (R. Bax)	Hall A+B				
10.30-11.00	MOTHERISK: Embryotoxic substances (I. Nulman)	Hall A+B				
11.00-11.30	Coffee Break (sponsored by BMS)					
11.30-12.00	Pneumococcal vaccines for children (chaired by L. Namazova-Baranova, R.R. Reinert) Challenges in the era of Pneumococcal conjugate vaccines: How to predict individual and public health impact (R. Dagan)	Paediatric challenges (chaired by A. Ugazio, M. Bogomilsky, G. Novik) Hospitalisation and home care — risks vs benefits (V. Tatochenko)	Follow-up care of premature and term neonates (chaired by A. Rubino, E. Baibarina, M. Shabalov) Hearing deficits in infants (I. Belyaeva)	EPA/UNEPSA General Assembly: 11.30-13.00	Poster presenters meet the professors	Cochrane review (M. Smith, K. Stobart)
12.00-12.30	Effectiveness of National immunization programs with Pneumococcal vaccines (M.A. Rose)	Guided transition into adult care (H. Gleeson)	Develop-mental deficits in infants (A. Ormission)	EPA/UNEPSA General Assembly: 11.30-13.00	Poster presenters meet the professors	Cochrane review (M. Smith, K. Stobart)
12.30-13.00	How the indirect effect contributes to Pneumococcal vaccines' effectiveness (L. Temime)	When to refer to an oncologist? (V. Polyakov)	Fetal programming: The fetus is the father to the man (N. Koleganova)	EPA/UNEPSA General Assembly: 11.30-13.00	Poster presenters meet the professors	Cochrane review (M. Smith, K. Stobart)
13.00-14.00	Lunch Break (sponsored by USB Pharma)			Presidential Lunch 13.00		

14.00-14.30	Immunopathogenesis of allergy (chaired by P. Eigenmann, R. Chaitov) Food allergy and the skin (P. Eigenmann)	Adolescent medicine (chaired by M. Vural, L. Adamyan, V. Doskin) Helping adolescents to develop resilience (R. Williams)	RSV burden of disease: challenges and solutions (chaired by O. Ramilio, Ju. Antipkin, V. Tatochenko) Epidemiology and burden of RSV disease (V. Tatochenko)	Satellite Round Table on Diversity of primary and secondary paediatric health care in Europe (L. Roshal, J.H.H. Ehrich, M. Pettoello-Mantovani, A. Gerber)	Poster presenters meet the professors	
14.30-15.00	Food allergy and the gut (S. Koletzko)	Interventions in adolescence leading to adult disease prevention (G. Saggese)	Development of prophylaxis for RSV infection (O. Ramilio)	Satellite Round Table on Diversity of primary and secondary paediatric health care in Europe (L. Roshal, J.H.H. Ehrich, M. Pettoello-Mantovani, A. Gerber)	Poster presenters meet the professors	
15.00-15.30	Anti-histamines in paediatric allergy (J. Lopes dos Santos)	Challenges of sexual and reproductive health (V. Baltag)	Respiratory viruses in the causal pathway of asthma (R. Stein)	Satellite Round Table on Diversity of primary and secondary paediatric health care in Europe (L. Roshal, J.H.H. Ehrich, M. Pettoello-Mantovani, A. Gerber)	Poster presenters meet the professors	
15.30-16.00	Coffee Break (sponsored by BMS)					
16.00-16.30	«Adult» diseases in paediatrics (chaired by S. Tenenbaum, E. Gusev, A. Boiko) Early debut of adult neurologic diseases (A. Boiko)	Target therapy in childhood (chaired by G. Gaedicke, E. Nassonov, V. Aliev) Juvenile idiopathic arthritis: New aspects in treatment (E. Alekseeva)	Innovations in baby nutrition (chaired by F. Cullu, V. Tutelian, I. Kon', G. Buslaeva) Environmental dimensions of nutrition science: The need for a world-wide integrated approach (M. Pettoello Mantovani)	Satellite Round Table on Diversity of primary and secondary paediatric health care in Europe (L. Roshal, J.H.H. Ehrich, M. Pettoello-Mantovani, A. Gerber)	Poster presenters meet the professors	

16.30-17.00	Peculiarities of diagnosis of paediatric multiple sclerosis. Treatment with INF beta-1a (S. Tenenbaum)	Rituximab in treatment of autoimmune cytopenias in children (A.A. Maschan)	Prebiotic oligosaccharides protecting formula-fed Infants against allergies: 2 years follow-up study (S. Arslanoglu)	Satellite Round Table on Diversity of primary and secondary paediatric health care in Europe (L. Roshal, J.H.H. Ehrich, M. Pettoello-Mantovani, A. Gerber)	Poster presenters meet the professors	
17.00-17.30	Diagnosis and treatment algorithm of juvenile paediatric multiple in Russia (L. Kuzenkova)	Treatment of B-cell lymphomas in children (E.V. Samochatova)	Effectiveness of dietotherapy with prebiotics in children with viral diarrhea (L. Mazankova)	Satellite Round Table on Diversity of primary and secondary paediatric health care in Europe (L. Roshal, J.H.H. Ehrich, M. Pettoello-Mantovani, A. Gerber)	Poster presenters meet the professors	
17.30-18.00	Tropical infections and travel medicine (chaired by J. Ehrich, B. Blochin) Fever and/or diarrhoea on return from the Tropics (J. Evans)	Algorithms of diagnostics and treatment of joint pain in child (R. Denisova)	Obesity and insulin resistance (F. Chiarelli)	Satellite Round Table on Diversity of primary and secondary paediatric health care in Europe (L. Roshal, J.H.H. Ehrich, M. Pettoello-Mantovani, A. Gerber)	Poster presenters meet the professors	
18.00-18.30	Travel without virus infection (A. Osterhaus)	Hematopoietic stem cells in paediatric oncology (G. Mentkevich)	Prevention of obesity (M. Moya)	Satellite Round Table on Diversity of primary and secondary paediatric health care in Europe (L. Roshal, J.H.H. Ehrich, M. Pettoello-Mantovani, A. Gerber)	Poster presenters meet the professors	

TIME	CONGRESS HALL A (1200)	HALL B: VOLGA + ENISEI + AMUR (400)	AMPHITHEATRE HALL (500)	HALL LADOGA (200)	POSTER ALEEY	COCHRANE AREA
09.00-09.30	PLENARY SESSION (chaired by A. Baranov, G. Onishenko, M. Vural, J. Berkelhamer, A. Babloyan, I. Dedov) Priorities in brain development for the paediatrician (P. Evrard)	Hall A+B	No lecture			
09.30-10.00	Value of the immunisation programmes (R.R. Reinert)	Hall A+B				
10.00-10.30	Diabetes prevention programmes (V. Peterkova)	Hall A+B				
10.30-11.00	School health services (V. Kouchma)	Hall A+B				
11.00-11.30	Coffee Break (sponsored by Biocodex)					
11.30-12.00	AAP Symposium (chaired by E. Alden, A. Konstantopoulos, B. Amcheslavsky) Resuscitation in newborns (E. Alden)	Neurology (chaired by D. Rating and A. Petruchin) Febrile seizures (B. Schmitt)	Laboratory and instrumental diagnostics (chaired by J. Grguric, N. Mayanskiy) Diagnostics in paediatrics (N. Mayanskiy)	Post-graduated programme presented by PAPRICA and organised by P. Eigenmann — How and when to diagnose allergies in childhood Food Allergy (P. Eigenmann)	Poster presenters meet the professor	
12.00-12.30	Resuscitation in children (S. Fucks)	Surgery in epilepsy (T. Bast)	Imaging techniques: New ultrasonographic, MRI and CT techniques and indications (I. Gipp)	Atopic dermatitis (A. Muraro)	Poster presenters meet the professor	
12.30-13.00	Structuring a neonatal and a paediatric ICU (E. Baibarina)	Syncope: important differential diagnoses (D. Rating)	Essentials of cardiovascular diagnostics (Y. Gui)	Asthma and respiratory allergy (P. Pohunek)	Poster presenters meet the professor	
13.00-13.30	Lunch Break (sponsored by FrutoNyanya)			Principles of immunotherapy (J. Lopes dos Santos)		
13.30-14.00						
14.00-14.30	Paediatric subspecialty care (chaired by D. Kelly, Yu. Muchina, O. Kovtna, N. Podchernyaeva) When to refer a child to a paediatric rheumatologist? (A. Martini)	Debates in paediatrics (chaired by M. Popp and R. Kozlov) Antibiotics: yes or no? (P. Guggenbichler)	Video session (chaired by D. Rating, V. Studenikin) Epileptic seizures — yes or not? (T. Bast)	Special lecture (chaired by A. Razumov) The rehabilitation of children with chronic diseases (O. Symonova)	Poster presenters meet the professor	Cochrane review (M. Smith, K. Stobart)

14.30-15.00	When to refer a child to a cardiologist? (M. Shkolnikova)	Debates in paediatrics (chaired by L. Namazova-Baranova and R. Orel) Vitamins for children: yes or no? (O. Gromova)	Gait disorders (D. Rating)	Special lecture (chaired by A. Kolbin, S. Postnicov) Antimicrobial effects of herbal medicines (S. Maune)	Poster presenters meet the professor	Cochrane review (M. Smith, K. Stobart)
15.00-15.30	When to refer a jaundiced infant to a paediatric hepatologist? (D. Kelly)	Debates in paediatrics (chaired by A. Tozzi, V. Uchaikin, V. Matveev) Influenza: should we immunise children? (B. Palash)	Floppy infants and weak children (V. Straub)	Special lecture (chaired by S. Lazurenko) Baby's psycho-motor development and toilet training (R. Adam)	Poster presenters meet the professor	Cochrane review (M. Smith, K. Stobart)
15.30-16.00 Coffee Break (sponsored by Chire)						
16.00-16.30	Immunology (chaired by R. Seger, G. Suchich, A. Maschan) The importance of early immune deficiency diagnosis (R. Seger)	Nutrition (chaired by D. Branski, O. Netrobenko, G. Samsygina) Early feeding and its long-term consequences: a follow up study on nutrition and growth from birth to 9 years (E. Lukushkina)	Paediatric challenges (chaired by A. Ugazio, S. Kluchnikov, L. Namazova-Baranova) Metabolic agents and their contribution to the development children (L. Lindmark)	Paediatric pharmacology (chaired by A. Martini, R. Bax (EMEA), V. Petrenko, O. Borzova, T. Yakovleva, E. Telnova, E. Barmanova, V. Lepachin) The importance of therapeutic drug monitoring (O. Della Casa Alberighi)	Poster presenters meet the professor	
16.30-17.00	The differential diagnosis of neutropenias (J. Skokowa)	Infants with functional gastrointestinal disorders: can we help? (S. Koletzko)	Growth reflects severity of diseases and quality of care (M. Zivicnjak)	EMEA Symposium (speakers A. Martini, K. Hoppu, R. Bax, O. Della Casa Alberighi and J. Ehrich) Therapeutic needs in paediatrics	Poster presenters meet the professor	
17.00-17.30	The chances of stem-cell transplantation (F. Locatelli)	Molecular biology of iron metabolism (M. Hentze)	Future child health (E. Olah)	EMEA Symposium (speakers A. Martini, K. Hoppu, R. Bax, O. Della Casa Alberighi and J. Ehrich) Therapeutic needs in paediatrics	Poster presenters meet the professor	
17.30-18.00	Special lecture (chaired by A. Lode, E. Samochatova) How can paediatricians manage children with rare diseases (D. Roos)	How to diagnose iron deficiency (A. Weinmann)	Hypertension (chaired by L. Szabo, Y. Gui, O. Kislyak) Causes of arterial hypertension (E. Wuehl)	EMEA Symposium (speakers A. Martini, K. Hoppu, R. Bax, O. Della Casa Alberighi and J. Ehrich) Therapeutic needs in paediatrics	Poster presenters meet the professor	
18.00-18.30	Special lecture (chaired by D. Bransky, A. Potapov) New guidelines for the diagnosis and treatment of gastro-esophageal reflux disease. (A. Staliano)	Phytonearing — new technology for children's health (M. Popp)	Treatment of arterial hypertension (J. Janda, T. Seeman)	EMEA Symposium (speakers A. Martini, K. Hoppu, R. Bax, O. Della Casa Alberighi and J. Ehrich) Therapeutic needs in paediatrics	Poster presenters meet the professor	

TIME	CONGRESS HALL A (1200)	HALL B: VOLGA + ENISEI +AMUR (400)	AMPHITHEATRE HALL (500)	HALL LADOGA (200)	COCHRANE AREA
09.00-09.30	ESPGHAN SYMPOSIUM (chaired by D. Branski, S.Postnikov, P. Scherbakov, A. Potapov) What should the paediatrician know about constipation? (A. Staiano)	Paediatricians and paediatric surgeons: one direction: clinical cases (chaired by A. Pinter, L. Adamyan, S. Geraskin, I. Kirgizov, S. Zorkin, S. Yacik) Abnormalities of anorectal zone and urogenital tract — results of master-classes (L. Adamyan)	Vaccination (chaired by J.Berkelhamer, G. Onischenko, V.Zverev, M. Shevireva) Vaccine development (M. Fisher)	Free communications	
09.30-10.00	What should the paediatrician know about Helicobacter? (D. Branski)	Decisions and dilemmas in the treatment of disorders of sex development (P. Sally)	Generating trust in vaccines — in Europe and elsewhere (B. Rath)	Free communications	
10.00-10.30	What should the paediatrician know about hypertransaminasemia? (D. Kelly)	Acute brain injury (G. Semenova)	Human papilloma virus and vaccination of adolescents (V. Usonis)	Free communications	Cochrane review (M. Smith, K. Stobart)
10.30-11.00	ESPGHAN Nutrition for the handicapped child (D. Turck)	Modern treatment of biliary atresia and different anomalies of bile ducts (A.Y. Razumovsky)	Communication about vaccine safety (A. Tozzi)	Free communications	Cochrane review (M. Smith, K. Stobart)
11.00-11.30	ESPGHAN Nutrition for the premature baby (W. Mihatsch)	The future of paediatric surgery (A. Pinter)	Role of the clinician in managing vaccine safety (A. Ugazio)	Free communications	Cochrane review (M. Smith, K. Stobart)
11.30-12.00	Coffee Break with Lunch box (sponsored by Swedish Orphans and Henkel)				
12.00-12.30	Paediatric Challenges (chaired by A. Baranov, J. Ehrich, A. Konstantopoulos) Pre and postgraduate paediatric education (N. Volodin, G. Gaedicke)	Hall A+B			
12.30-13.00	UNICEF lecture: Innovative medical and social approaches in prevention among children and adolescents: European experience in Russia (A. Korsunski)	Hall A+B			
13.00-13.30	Vive les differences! The diversity of paediatric care in Europe (L. Rochal, J.H.H. Ehrich)	Hall A+B			
13.30-14.00	Closing Ceremony
